

June 14, 2018
Year End Celebration!

Thank you!

Thank YOU!

Because of you...

- ❖ Over 840 Hartford Performs Programs took place in 32 PreK – 8th grade Hartford Public Schools this year
- ❖ Over 13,000 students travelled out of their school to experienced theater, dance, music and art
- ❖ Over 3,000 students participated in short-term residency, arts integration programs

Impact

60% of responding teachers said their Hartford Performs program had an effect on student attendance.

“We had one of the best attendance days & the best attendance day of that week on the day of our Hartford Performs.” –Burr Elementary School teacher, Grade 3

94% of responding teachers agree that programs **develop/enhance students active listening skills.**

93% of responding teachers agree that programs help students **think creatively.**

87% of responding teachers agree that programs help students **retain information.**

85% of responding teachers agree that programs help students **work collaboratively with other students.**
